

## **Net Neutrality: November 30, Thursday, 2017**

1. First, without using the internet or any source of answers, what do you think Net Neutrality really means? (explain)

***The Questions below are to be answered by using the internet as a source...never rely only on one source, but many different sites and keep a watchful eye on the website used:***

2. What is Net Neutrality...in other words, what is it about? Explain.
3. What are the benefits of keeping Net Neutrality? Explain.
4. What are the proposed benefits of eliminating Net Neutrality? Explain.
5. In the end, without net neutrality, who should benefit really? Explain.
